ORDER

Sub: Release of connections in premises where outstanding dues of previous consumers are lying unliquidated and the assets of the previous consumer are auctioned by State Govt's Financial Institutions like RIICO/RFC and also by Official Liquidator appointed by Rajasthan High Court.

Procedure was prescribed for release of new connection and for recovery of outstanding dues of previous consumers in cases where the sick industry is auctioned by State Govt's Financial Institutions like RIICO/RFC vide Comml. order No. AJ-118 dt 14.11.02. These instructions were issued in line with the State Govt's order dt 5.4.02 copy of which was also enclosed with the above mentioned order. It was prescribed interalia that release of connection in the premises purchased by the auction purchaser as per request of the incoming consumer be processed and temporary/permanent connection be released as per rules as is done in case of a normal applicant for release of new temporary/permanent connection without insisting for the payment of the outstanding dues of the previous consumer.

Subsequently, as per the decision taken by the coordination committee in its 48th meeting, it was clarified vide Comml.order-AJ-119 dt 27.11.2002 that the application for new permanent/temporary connection in the premises of sick industrial units auctioned by RIICO/RFC should not be processed till the receipt of Nigam's share of outstanding dues out of the sale proceeds of the Industrial unit in terms of Govt. order dt 5.4.2002.

It has been reported that considerable delay is occurring in receipt of Nigam's prorata share of outstanding dues out of the sale proceeds of the auctioned sick industrial unit consequently delaying release of new connection to auction purchaser in the old premises. Similar difficulty has also been reported in cases where the sick industrial unit is auctioned by the Official Liquidator appointed by the Raj. High Court.

The matter was ,therefore, again considered by the coordination committee in its 64th meeting held on 19th Dec'03 and it has been decided that application for release of new connection to the auction purchaser in the premises of sick Industrial unit acquired/auctioned by RIICO/RFC/Official Liquidator appointed by Raj. High Court, should be processed without waiting for the receipt of prorata share of outstanding dues of the Nigam recoverable from the sale proceeds of the auctioned industrial unit. It was also decided by the coordination committee that after recovery of the prorata share of the outstanding dues, cases for waiver of the balance amount of outstanding dues of the previous consumer in individual cases be submitted to the respective Board of Directors of the Discoms for decision in the matter.

In view of the above decision, the Nigam's order Comml.AJ-119 stands withdrawn.
