ORDER

Sub:- Consumers billing with regard to various concessions announced by The Government.

The Energy Department Government of Rajasthan Jaipur; vide order No/ F.13(27)Energy/ 2003/ dated 31-05-2005; has announced various concessions in regard's to the electricity consumers billing.

1) Kutir Jyoti in rural areas and below poverty line consumers in kachhi Basties of urban areas.

Since Kutir Jyoti connections are point connections; where more than 50 units consumption per month is not possible. Accordingly the concessional rate of 85 paise per month plus fixed charges of Rs. 50 per month should be applicable only for units consumed up to 50 units per month. In case it exceeds 50 units per month i. e. at any time of bi-billing if it is more than 100 units then units consumed in excess of 50 units per month should be charged at the relevant tariff rate of revised tariff i.e. Rs-3.50 per unit. Fixed charges would also be charged Rs. 50 per month. However; first 50 units per month would be charged at the rate of 85 paise per unit.

11) Small domestic connections in rural and urban areas.

In order to implement the above provision, consumption of previous years should be considered as base. Such consumers whose average consumption is up to 50 units per month in the previous financial year, should be considered eligible for the said relief. Fixed charges should be applicable on the basis of revised rates i.e. Rs. 80 per connection per month. In case of new connections released during the year to the small domestic consumers relief in fixed charges and in energy charges shall be admissible only in the next year provided they have not crossed the monthly average consumption of 50 units in the year.

Further, for identification of agriculture consumers using sprinkler/ drip irrigation system and who are eligible for rebate of 10 paise
