

AJMER VIDYUT VITRAN NIGAM LIMITED, AJMER
HATHI BHATA, CITY POWER HOUSE, AJMER-305001

No. AVVNL/MD/CAO (R&C)/ F. /D. 252 Dated: 15.4.2011

ORDER

While reviewing the progress of recovery for the year 2010 - 11, it has been observed that excluding the PSL category, level of collection of efficiency is not satisfactory and up to the mark. Such a poor performance has been viewed seriously and action is likely to be initiated against the defaulters, after completion of the detailed analysis, in depth.

Certain Superintending Engineers were, however, of the view that one of the reasons for poor collection efficiency is liquidity problem with the agriculture consumers. They were further of the view that since crop is ready to be sold in the market, the outstandings can be recovered in the month of April 11 and May 2011.

Accordingly, the matter has been considered and following instructions are hereby conveyed for strict compliance by the all concerned :-

- I. The revenue campaign will continue w.e.f. 18th April, 2011 to 31st May, 2011.
- II. The vehicle and man power provided extra will continue to be provided during this period.
- III. The field officers will ensure to disconnect the premises of all defaulting consumers physically, except the Govt. connections.
- IV. The field officers will further ensure frequent and periodical visits of the premises disconnected to avoid misuse.
- V. Since Principal Secretary (PHED) has already directed to his field officers to clear all pending dues of the Distribution Companies, all possible steps be taken to ensure that amount relating to energy bills and undertakings still outstanding against the PHED is realised against new budget.
- VI. Apart from the PHED and municipal bodies, recovery may also be pending against the Police, Medical & Health, Education and other Govt. departments, the matter may be taken with the counter parts of such departments and all out efforts be made to liquidate such dues.
- VII. List of outstanding dues as on 31.03.2011, against the Govt. connections will be prepared by the field officers department-wise (inclusive of PSL & municipal bodies) separately. The list so prepared should further reflect the recovery made by personal efforts during April, 2011 and amount remains pending at the month end along with reasons thereof in brief and provided to corporate office by the SE(s) concerned, latest by 07.05.2011.

All concerned are, therefore, advised to take above challenge and show their best of ability by 31-05-2011.

(P.S. Jat)
Managing Director
