Record Note of Discussions held on 10th July 2020 to review the working of Plant Maintenance (PM) Module of SAP-ERP

A review of working of **Plant Maintenance** (PM) Module was carried out on 10th July 2020 in the Boardroom of RVPN. Following were present:-

1. Sh. Dinesh Kumar, CMD, RVPN, Jaipur,
2. Sh. Sandeep Dheer, Director (Fin.), RVPN, Jaipur,
3. Sh. R.K. Jain, Chief Engineer(IT), RVPN, Jaipur,
4. Sh. S.K. Baswal, Chief Engineer(PPD), RVPN, Jaipur,
5. Sh. M.K. Singhal, Zonal Chief Engineer(T&C), RVPN, Jaipur,
6. Sh. N.K. Gupta, SE(T&C-Jaipur city), RVPN, Jaipur
7. Sh. A.K. Gupta, SE(MIS&IT), RVPN, Jaipur,
8. Sh. R.K. Gupta, SE(QC, Insp.&Montg.), RVPN, Jaipur,

In addition to above XEN (MIS&IT) and AEN (MIS&IT) were also associated with the meeting.

An overview of various functionality of **Plant Maintenance** (PM) module of SAP-ERP starting from the creation of GSS till analysis of operational parameters in PM Module of AP-ERP was presented and the same was discussed in detail.

Following directions were issued:-

- i. Measuring parameters of equipment during the testing to be recorded. For this necessary requirement is to be assessed by QC & Insp. wing and to be intimated to the SE(MIS&IT) for incorporating in the PM Module.

Action: SE (QC&Insp.)/(MIS&IT)

- ii. Provision of recording the Earth Resistance of GSS in the PM module is to be made.

Action: SE (MIS&IT)/XEN-I(MIS&IT)

- iii. Overcurrent & Earth Fault Tripping to be recorded separately as Overcurrent Fault and Earth Fault.

Action: SE (MIS&IT)/XEN-I(MIS&IT)

- iv. Provision to be made for recording Maintenance work for R&M Contractor and recording values of GSS through maintenance work order in Plant Maintenance. PPD wing shall issue guidelines for making entries through maintenance order to the concerned GSS.

Action: CE(PPD)/SE(Automation)/SE(MIS&IT)

Dinesh Kumar
