### CORRIGENDUM

**Ref:** Bid specification NO.RVPN/SE/T&C/JC/BN-08/2016-17.

In reference to our aforesaid Bid Notice No. SE/T&C /JC/BN-08/2016-17 of this office, due to typological error the Following Modifications may be noted:

Bid Ref.	BID SPECIFICATION NO.RVPN/SE/T&C/JC/BN-08/2016-17
Clause No.	1.08 Qualifying Requirement.
Page No.	9-10
Existing provision in sub clause	<p>a)(i) The Bidder should have executed the construction works including all activities i.e. survey, stub setting, tower erection and stringing of 132KV or above lines for at least 80% of estimated amount of Bided lines for which he intends to participate, during last five years, prior to date of Bid opening.</p> <p>(ii)The bidders having experience of execution of 132 KV or above transmission lines in RVPN for less than 80% but for 30% or more of the estimated amount of Bided lines and meeting the qualifying requirement in other respects will be qualified for award of contract. The bidder shall be considered for award of further orders only after meeting the qualifying requirement for construction of 80% of the estimated amount of Bided lines.</p> <p>e) In case the smallest estimated amount of shortest Bided line is more than the total qualified amount quoted by the bidder, then offer of the bidder will not be considered qualified.</p>
Modification	<p>a)(i) The Bidder should have executed the construction works including all activities i.e. survey, stub setting, tower erection and stringing of 132KV or above lines for at least <b>80% of total length</b> of Bided lines for which he intends to participate, during last five years, prior to date of Bid opening.</p> <p>(ii)The bidders having experience of execution of 132 KV or above transmission lines in RVPN for less than 80% but for 30% or more of the total length of Bided lines and meeting the qualifying requirement in other respects will be qualified for award of contract. The bidder shall be considered for award of further orders only after meeting the qualifying requirement for construction of <b>80% of the total length</b> of Bided lines.</p> <p>e) In case the shortest bided line length is more than the total qualified line length quoted by the bidder, then offer of the bidder will not be considered qualified.</p>

All other terms and conditions of the bid specification remain unchanged.
