**ORDER**

**Subject: Change in the Voice and Broadband Tariff plans for RVPN offices**

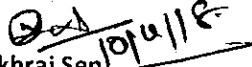

In order to rationalize the expenditure towards Voice and Broadband connectivity in RVPN offices, the competent authority has approved a proposal for migration to cost effective tariff plans launched by BSNL in place of the existing Voice and Broadband plans.

Most of the RVPN offices have subscribed to high denomination Broadband plans for higher data and voice viz. BBG Combo ULD 945, BBG Combo ULD 1199, BBG Combo ULD 1495 and BBG Combo 3500. It is noticed that the voice facility is being used sparingly by many of the offices and the data requirement of the offices can also be met by lower denomination plans. Hence, it has been decided that such offices may be migrated to lower plans viz. BBG Combo 599. The details of the proposed migration against each office is furnished in the attached annexure.

Few of the offices are using separate connections exclusively for FAX machine. All such offices may kindly examine the requirement of separate telephone connection for fax again and shift their fax to regular office connection.

Additionally, many of the offices have complained regarding poor performance of the WLL services availed from BSNL. All the offices who are facing issues in the WLL service may choose to surrender the WLL plan and furnish the requirement for a GSM based fixed phone to SE (MIS &IT), RVPN so that the GSM based fixed phone service may be made available to such offices.

All the concerned offices where the migration is proposed as per the details furnished in the annexure are requested to take up with BSNL local authorities for early migration to the new plan.

  
 (Pukhraj Sen)  
 Secretary (Admin)  
 RVPN

Copy submitted / forwarded to the following for information and necessary action:-

1. The Chief Engineer/Addl. Chief Engineer (PP&D)/NPP&RA/IT/Civil) RVPN Jaipur
2. The Chief Controller of Accounts, RVPN, Jaipur
3. The Company Secretary, RVPN, Jaipur
4. The Joint Director Personnel, RVPN, Jaipur
