No. JPD/CAO (IA)/AO (Rules) F. 131 D. 1451 Jaipur, dated July 24, 2020

ORDER

Sub.: Cancellation of work orders not executed despite scheduled completion period already over in the long past.

This is in continuation to the letter No. JPD/CAO(IA)/AO(Exp.-Cont.)/ F. / D. 8 dated April 2, 2014 addressed to all the circle Superintending Engineers with a copy to their respective Zonal Chief Engineers amongst others. It is being still observed that orders placed for execution of day-to-day urgent nature of works under CLRC/ARC but the same stand unexecuted despite their scheduled completion already over in the long past. It has also been observed that at times the ordered prices/rates have come down after the subsequent revision of ARC, but the suppliers/contractors continue to carry these orders in their order book. Such a situation is giving rise to manifold bottlenecks in execution of the works in the field amongst which the non-availability of registered contractors due to exhaustion of the prescribed eligibility criteria on account of pendency of the orders in their names, equipment/material lying with such contractors etc.

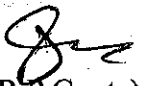

In view of above, it is further directed to regularly monitor the prevailing contracts under ARC in order to ensure that the work orders which have not been taken up even after lapse of a reasonable period of time after scheduled completion timelines the same shall be withdrawn after exercising requisite penal provisions stipulated in the work order. In the cases where the works has been taken up but not fully completed despite lapse of reasonable period of time after scheduled completion, appropriate action shall be taken at the level of competent authority regarding short closure of the assigned work and have the balance work done after placing fresh work order as per the ground requirement.

(A.K. GUPTA)
