Jaipur, dated : 6/3/2020.

Superintending Engineer (IT),
Jaipur Discom,
Jaipur.

Sub.- Online A-9 receipts of Demand Notice.

This is in reference of this office order no. 1067 dated 02.12.2019 (JPD-6/508) wherein, it was directed to issue only system generated A-9 receipt against the amount of demand notice under NCMS. However, vide letter no. 1124 dated 17.12.2019, above directions were relaxed up to 31.12.2019 due to long pendency of new connection files.

Further, in view of request made by field officers, the partly amendment in above order is as below:-

• **Domestic Category:** - Nigam releases new connection under domestic category at spot, from time to time. Therefore, in such cases, circle AO is allowed to open 'Camp Application' option through AO login and manual receipt of demand notice may be allowed by concerned sub-division.

The flowchart for 'Camp Application' is as follows:-

- Camp Application option will be added in AO Login.
- After approval of concerned AO, the Camp option will be available in single from CC Id for maximum 30 days.
- Camp option will be available only for Domestic Category.
- After enable of camp option, demand notice and other consumer detail will be feeded manually by concerned sub-division.

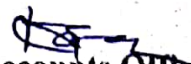

Therefore, you are requested to issue necessary directions to M/s BCITS to update software accordingly.
