CIRCULAR

This is in reference to the direction circulated by CCOA, RVPN vide No/RVPN/CCOA/CAO (P&F)/PF/F. /D. 4234 dated 24.01.2004 regarding demand of pension fund. In the said circular it was clearly directed that all Circle Accounts Officer/Accounting Units of all successor companies will work out the amount of pension payable in the following month and send the demand by 25th of the current month to CAO(P&F),RVPN,Jaipur, but it has been gathered that some Circle Accounts Officer/Accounting Units do not send demand for pension fund up to the 25th of the month. Due to the delayed demand, remittance of amount of pension to the respective Circle Accounts officer/Accounting Units get delayed which ultimately delays the payment of pension to the pensioners.

The matter has been taken very seriously by the management and directed to ensure the payment of pension of 1st day of every month.

It is therefore, enjoined upon all Circle Accounts officer/Accounting Units of all successor companies to send the demand of pension to the office of CAO (P&F), RVPN, Jaipur by 25th of the current month so that timely remittance of pension fund to concern Circle Accounts office/Accounting Units may be done.

In case, pension to pensioners gets delayed due to non receipt of the pension demand latest by 25th of the month, the concern officer will be held responsible for this.

(Naresh Shakywal)

Dy Controller of Accounts (P&F)
