The Superintending Engineer (JCC/JPDC/O&M),  
Jaipur Discom,

Sub:-Release of Tube well connections in favour of PHED on  
undertaking basis..

Ref: SE(JCC) letter No. 8589 Dated 12.03.2019.

On the above cited subject & reference, looking to the in-sufficient budget with  
PHED and requirement of electricity connections for tube-wells prior to summer season, it  
is decided that for providing smooth water supply during summer season, electricity  
connections for tube wells in favour of PHED may be given on undertaking basis subject to  
fulfillment of required formalities as per rules.

This bears the approval of Hon'ble Chairman, Discoms.

**Sub: Release of electricity connections for PHED Infrastructure  
against Undertaking.**

As you are aware, the next three months are critical from the  
view point of providing timely water connections to PHED  
infrastructure to enable us to tide over water demand in the next few  
months.

Accordingly, it is requested that instead of insisting on advance  
payment for electricity connections for PHED infrastructure, wherever  
the field level PHED officials do not have adequate budgetary  
provisions, they may kindly be permitted to provide an undertaking  
for the purposes of release of electricity connections for PHED  
infrastructure.
