DO No. JPD/Dir.(Tech.)/MM/I&S/TA/D. 176 dt. 25/7/2016

SUNIL MEHTA
DIRECTOR (TECHNICAL)

Dear Shri

Sub:- Depositing the unserviceable/scrap items/unaccounted stores materials lying with O&M sub-divisions.

Ref.: Letter No.JPD/Dir(Tech.)/Sec.Tech./F./D.2071 dated 14.7.16

Your attention is invited towards letter referred above vide which instructions were imparted for ensuring deposition of unserviceable/scrap items/unaccounted stores materials lying with O&M sub-divisions and taking action towards the distribution transformers, PCC poles, VCBs etc. lying unaccounted/unlifted in field.

But it has been observed by the undersigned during visits of sub-divisions that a huge quantity of unserviceable/scrap materials including BGP failed distribution transformers VCBs, meters & steel items including ACSR conductor etc. are lying with O&M sub-divisions, which shows that field officers are not taking keen interest to deposit such items in the circle stores resulting continuously leakage/pilferage of materials from field and defeating the receivable revenues by the sale of scrap.

As already intimated that during the PUC meeting held on dated 14.07.16, Hon'ble Members took a very serious view towards the distribution transformers, PCC poles, VCBs etc. lying unaccounted/ unlifted in field.

You are, therefore, again advised to instruct all the field officers under your jurisdiction to immediately deposit all kind of unserviceable/scrap materials , off road vehicles etc. in the circle stores. The unit officers may also be advised to take action towards unaccounted materials like PCC poles, distribution transformers, VCBs etc.to take in the books of their stock and all the unserviceable /scrap materials lying in field/ in their sub-division stores/ accumulated at various 33/11 KV sub-stations under their control may be got deposited with circle store on top priority and furnish a Certificate in respect of your circle to this office to the effect that "no serviceable/scrap materials are lying undeposited/ unaccounted in sub-divisions under the control of this circle as on 31.07.2016", so that the action for disposal/accounting of such unserviceable/scrap materials etc. may be ensured and compliance report should reach this office latest by first week of August 2016.

This may be treated as MOST URGENT. Non compliance of above instructions will be viewed seriously.

(SUNIL MEHTA)
