In this regard, it has, however, been observed that such work orders are being issued in some cases without obtaining competent administrative approval, technical and financial sanction as well as without observing budget ceilings. In such circumstances, cases for seeking competent approval are sent to the competent authority after issue of work orders. Adopting such a wrong practice is a serious matter.

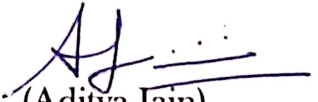

Therefore, all concerned authorities are hereby enjoined upon that, no work order shall henceforth be issued without obtaining prior approval of the competent authority. Proper administrative approval and technical sanction shall essentially be obtained before awarding any work order within available budget ceiling provided for the same.

Above instructions shall strictly be adhered to, otherwise, it will entail disciplinary action against the defaulting officers/officials.
