Jaipur, dated: - 29/1/19

## Circular

### **Sub: - Civil Works for distribution lines and sub-stations.**

It has been observed that civil works like boundary walls, trench and for fencing etc., are being got executed by the O&M officers at their level on CLRC or else.

However, the O&M officers are not supposed to have adequate experience for carrying out such civil works putting the requisite quality of work at risk. Accordingly, only petty works limiting to Rs. 50,000/- (Rs. Fifty thousand only) in each case can be carried out by the O&M wing to meet out the exigencies and beyond it, be got carried out through civil wing, following the provisions of the RTPP Act 2012 and RTPP Rules 2013. In exceptional circumstances, prior permission be obtained from the Addl. Chief Engineer(Civil), JVVNL, Jaipur before taking up the work by the O&M officers.

  
(A.R. Gupta)  
Managing Director
