

NO.JPD/CAO(ATR)/Rev.F. /650/D 126

Jaipur, dated 23/01/12

ORDER

In continuation to this office order No.JPD/CAO(ATR)/Rev.F.569/D.2494 dated 04/11/2011 (JPD- 6 343), following instructions are further issued for correct billing under "Tariff for Supply of Electricity-2011", for strict compliance by all concerned:-

1. For billing the entire consumption of Community Kitchen connections setup under the applicability of the aforesaid tariff at 50% of energy charges and full fixed charges applicable to other general domestic consumers, new tariff codes are hereby allotted as under:-

Supply on	LT	HT	HT
Metering on	LT	LT	HT
Tariff code	1700	1710	1711

2. The educational institutions run by the Government or its agencies are only to be billed under the Mixed Load category (ML/LT- 7 or ML/HT-4) and are also exempted from the levy of Electricity Duty. With a view to identify and correct billing of such consumers, the tariff code 7200, 7210 & 7211 in use for billing of recognized educational institution at present will now be used for billing the educational institutions run by the Government or its agencies, exclusively.
3. Since other recognized educational institutions not run by the Government or its agencies have now though been categorized under the non-domestic tariff but are exempted from levy of Electricity Duty. The letter code "G" will now be suffixed to the four digits applicable numeric code of above consumers, so as to grant exemption from levy of E.D.
4. Hospitals, dispensaries, clinics and nursing homes run by the Government or its agencies are only to be billed under the Mixed Load category. Since they are exempted from levy of Electricity Duty, the letter code "H" will continue to be suffixed after the four digits of applicable numeric codes as usual, so as to grant exemption from levy of E.D.
5. Hospitals, dispensaries, clinics and nursing homes not run by the Government or its agencies and are not maintained for private gains though have been categorized under NDS/LT-2 or HT-2 but are exempted from levy of ED under "Electricity Duty Act-1962". In order to grant exemption from levy of ED, the letter code "H" will also be used after the four digits applicable numeric codes.
6. Letter code "P" in use for allowing incentive @ 10 paise per unit in the energy charges to the agriculture (metered) consumers who install sprinklers set will now be used for billing of such agriculture (meters) consumers who use energy efficient pump sets (3 star rating or above) and sprinklers set (both).

The unit officers will be responsible for providing necessary input advice (2A) to the billing agencies. Further, the Sr. AO(O&M) and all the billing/unit officers will ensure correct billing accordingly.

The above order shall come into force from the date of implementation of "tariff-2011" (11.09 2011).
