CIRCULAR

It has been observed that some kiosk holders of e-Mitra Society / CSC are issuing receipts of payment of energy bills by affixing rubber seal on the bills. This practice was totally banned by the Department of Information Technology & Communication (DoIT&C), GoR that kiosk holders will issue computer generated receipts only. Recently by using this malpractice embezzlement in Kota Circle has been taken place due to affixing of rubber seal on energy bills towards receipt of payment by the kiosk holders.

It is, therefore, enjoined upon all the Unit Officers that as soon as the matter of affixing rubber seal by kiosk holder(s) is noticed same should invariably be informed to the LSP, e-Mitra Society and DoIT. Similarly the Circle AO who has been nominated as Nodal Officer for the work of e-Mitra Society in the District is also responsible to keep close monitoring on the above issue during the course of scroll/stubs provided by the e-Mitra.

Any lapses will entail disciplinary action against the defaulters.
