ORDER

In the recent past, it has been observed that files /documents or any other record pertaining to the contracts for which all the activities right from inviting of bid(s) to the placement of order(s) initiated by a circle/office are passed on to the other circles/offices. On account of this, finalization of such contracts not only unnecessarily gets delayed but it leads to a range of grievances/disputes by the respective contractors cropped up as the transferee circle/office being not adapted with the very object behind the initiation of such contracts, deal them with its own different perspective. Furthermore, this goes against the age old established practices.

Considering the above, the Managing Director JVVNL has directed that contracts shall be finalized/concluded including reply to audit observations, if any, only by the circle/office which initiated and have placed purchase/work orders. In-between of their conclusion, no contract file/record shall be transferred to other offices unless specifically directed for any individual case.

By order,

(A.K.Joshi)
