In continuation to this office circular No.JPD/CAO/F.165/ D.3067 dt.25.10.02 for providing relief in the payment of difference of minimum charges to agriculture metered category consumers (tariff code 4000), following directions for adjustment of difference of minimum billing are issued :-

1. Item No. iv of circular dt.25.10.02 may be deleted.
2. Credit if any allowable as per provision of tariff in connection with computation of minimum charges on annual basis, then computer agencies would accord credit in consumer ledger in the ratio of amount of difference of minimum billing recovered/levied during the billing month April,02 to Oct.02 and Nov.02 & onwards.
3. In the energy bills, credit relating to period April,02 to Oct.02 is only to be accorded in the consumer's account.
4. Amount of credit allowable for the period Nov.02 and onwards would be set off against the reimbursable amount by the State Govt. for the month of Feb.03 & March,03.
5. Computer agencies would provide details of difference of minimum charges leviable in Feb. & March,03 and credit allowed (for Nov. 02 and onwards) in the month of Feb.03 & March,03 to this office in the annexure already sent vide aforesaid circular.
6. Computation of difference of minimum billing is to be carried out as usual by the Computer Agencies and provided to the concerned in the billing month of Feb.03 & March,03 .
Therefore in case bills of some Sub-divisions/Cycles have already been issued prior to issue of this circular, then necessary re-process of consumers ledger for the month of Feb.03 would be carried out by the computer agencies , so that MIS 3.1 & 3.2 are prepared on realistic basis.
