Clarification under Tender TN-67

In the tender "Deployment of Smart Office (E-office)" under TN-67, the following amendments are made in the RFP:

The clarifications for the queries are as below:

S. No.	Clarification Sought	Decision
1.	Please provide the total number of sub office and offices where the smart office shall be installed.	In addition to list of offices available in RFP clause No. 21 (C), 1.1 Stage -I, II, III, IV & V & the Sub offices shall be approximately 101 Nos. of JPDC circle. (Annexure-1)
2.	As per the amendment a scanner with 500-page scanning capacity has to be installed at offices. Kindly specify the number of offices where these scanners have to be installed and minimum specification of the scanner. Do we require to deploy A3 or A4 size scanning capability scanner?	A4 and legal both are the most commonly used paper sizes, scanner should be compatible with the computers being used.
