No.JdVVNL/MD/CE(HQ)/SE(RA&C)/JU/2015-16/D. 1102 Dt. 24.06.2015

ORDER

Sub: Laying of Optical Fibre based Telecom Network Cables on existing electric poles (33KV/11KV/LT) of Discoms for 4G communication, fixing of rental charges & interest free security amount.

The issue for fixing up the rental charges and interest free security deposit to be recovered from telecom operators for laying of Optical Fibre based Telecom Network Cables(O.F.C.) for 4G communication network in Rajasthan was discussed in 174th meeting of Coordination Committee held on 10th Oct., 2014. The matter was further discussed in 181st meeting of the Co-ordination Committee held on 05.06.2015.

Keeping in view the critical role of 4G telecommunication and internet facilities for the overall development of the state and in supersession to all earlier instruction issued in the matter it is decided that the respective Managing Director of Discoms are authorized to grant permission by charging per pole rental charges and interest free security deposit for using Discoms poles for laying overhead OFC cable for 4G communication network at only those locations where laying of OFC cable are not possible either by undergrounding or erection of new poles by service provider due to Right of way constraints and also sufficient ground clearances, as per I.E. Rules is available, on the existing Discoms poles(33KV/11KV/LT).

Rs.2000/- (Rs.Two Thousand Only) per pole per year rental charges to be charged from various 4G service providing agencies for using Discoms poles for their 4G communication network with interest free security deposit equivalent to annual pole rental charges subject to a maximum of Rs. 20,00,000/-(Rs. Twenty lacs only/-). The above yearly pole rental charges shall be escalated @ 10% per annum for each financial year beginning from 1st April.

The intending energy shall make an application to the concerned circle Superintending Engineer to use Discom's Poles for laying OFC for 4G communication network by furnishing single line diagram of the electric network clearly marking the locations and number of poles to be

used by them and recording a certificate to the effect that "laying of OFC are not possible either by undergrounding or erection of new poles due to Right of way constraints and also sufficient ground clearness as per I.E. Rules is available on the existing Discoms poles (33KV/11KV/LT)".

The Circle Superintending Engineer (O&M) will get verify the location with number of poles and after satisfying the aforesaid conditions, recommend the case to the Superintending Engineer (RA&C), Jodhpur Discom, Jodhpur for arranging approval of the MD, Jodhpur Discom. After approval of MD, Jodhpur Discom, the concerned Superintending Engineer shall serve demand notice to service provider to deposit yearly pole rental charges alongwith security and for the execution of agreement. After deposition of demand notice amount and execution of the agreement the Circle SE shall permit the agency to utilize the Discom Poles on rental basis. The circle SE(O&M) shall ensure time to time that number of poles used by such agencies are not exceeding as allowed and shall also revise the pole rental charges and security deposit at beginning of each financial year from 1st April.

The operator shall execute an agreement on Rs. 100/- Non-Judicial stamp paper with the Circle Superintending Engineer, Jodhpur Discom. After a period of one year from the date of agreement it is to be renewed if required by paying the escalated charges as above failing which Nigam has right to remove cable from Discom poles. The above rates shall be applicable only in respect of 33KV/11KV/LT lines of Jodhpur Discom. For EHV lines the provisions of RRVNPL shall be applicable. The terms and conditions to be incorporated in agreement shall be as per Annexure-A. For any violation, due notice is served upon the agency to rectify the defect and in absence of non-compliance for removal of defects, OFC cable will be removed from the Discoms poles.

The order shall come in force with immediate effect.

By order,

(M.R. VISHNOI)

CHIEF ENGINEER (PC-C&P)
JODHPUR DISCOM:JODHPUR
