ORDER

Sub.: Replacement of burnt Single Phase Distribution Transformers.

It has been observed that whenever 10 kVA, 16 kVA and 25 kVA Single Phase Distribution Transformers are burnt due to one or another reason then some of the field officers prepare the scheme of system improvement by dividing the load into 2 Nos. or more Distribution transformers of 5 kVA rating in the interest of the Nigam. Whereas such type of practice is undesirable due to un-necessary financial burden on the Nigam and also provide illegal facility of running single phase motors/ boring etc. especially where more than five (5) connections are fed from Single Phase Distribution Transformers in abadi / Dhani (not scattered connections).

It is, therefore, enjoined upon all field officers not to propose/ prepare/ sanction such type of scheme henceforth and failed Single Phase Distribution Transformers be replaced by similar rating or higher rating Distribution Transformer only.

By Order,
