

No.JdVVNL/MD/CE(HQ)/SE(RA&C)/JU/2020-21/D. 1189 Dt. 22. 10. 2020

**ORDER**

**Sub.: Regarding providing service line for electricity connections by the Nigam.**

As per provisions of Clause-8(A)(1) & 8(F) of TCOS, for electricity connections, where no extension of distribution mains is required, LT supply shall be provided by laying overhead service line upto 50 meters from an existing distribution mains / overhead line or underground cable where a cable box, junction box, pillar box etc. has been provided. The overhead service line (upto 50 meters) shall be provided and maintained by the Nigam at its cost.

In this context, earlier directions have been issued from time to time through various circular (Comml.JDP/791 dated 19.06.2017), in meetings at various levels that service line for electricity connection is to be provided by the Nigam to the consumers, but it had come in the notice through the consumers and public representatives that consumers are asked to arrange service line of their own, which is against the provisions of TCOS.

All the concerned officers are directed to ensure that overhead service line for electricity connections and replacement of damaged service line (upto 50 meters) is to be provided by the Nigam. Any laxity in complying above directions will attract disciplinary action against the defaulter.

This order is issued in supersession to order No. 380 dated 19.06.2017 (Comml.JDP/791).

By Order,

(A. K. RAMNANI)

**SUPERINTENDING ENGINEER (RA&C)  
 JODHPUR DISCOM, JODHPUR**
