**JODHPUR VIDYUT VITARAN NIGAM LIMITED**  
**MATERIAL MANAGEMENT CIRCLE**  
**NEW POWER HOUSE, INDUSTRIAL AREA, JODHPUR-342003**

**SCHEDULE-III TECHNICAL SPECIFICATION**

**1. INTRODUCTION:**

Material Management wing of JDVVNL is effecting purchases of various Stores covered under “Centralised Purchased Items” for Distribution works. List of “Centralised Purchase Items” so arranged is attached at Annexure-1. JDVVNL reserves right to add/ delete items to/from the list so attached. Approximate value of the items, envisaged to be purchased during each financial year may be of the order of above Rs.500 Crores.

The office of the Superintending Engineer (MM&C), JDVVNL, Jodhpur under the administrative control of Chief Engineer (MM&C), JDVVNL, Jodhpur is at present arranging pre-despatch inspection, testing, checking and sealing/ identification of the material at the works of various vendors/ suppliers with the help of departmental qualified & experienced Engineers and outside third party Agency also.

It is now considered, to explore more possibilities to arrange Inspection, testing, checking and sealing of material from third party, a competent & capable Agency/ organization/ undertaking/ enterprises etc. at the works of various firms situated any where in India within/ outside the territory of the State of Rajasthan. It is highlighted that JDVVNL is a quality conscious buyer and expects quality inspection(s) of the material(s).

**2. SCOPE:**

This specification covers inspection, testing, checking and sealing of material at the manufacturer’s works of various items covered under “Centralised Purchased Items” as appended at Annexure-1 likely to be purchased/ supplied **during one year** against various purchase orders placed/ to be placed from the suppliers/firms works whose works are situated any where in India within/ outside the territory of the Rajasthan State. **The period of one year as stated shall be counted from the date of placement of order/ orders against this specification.** The JDVVNL proposes to engage the services of competent, capable and experienced agency/ agencies for pre-despatch Inspection(s) of various items purchased by the Material Management Wing. Such inspection/ testing shall generally be carried out at vendors works, but in some cases may be required to be carried out/ witnessed at independent Test houses also. The Inspecting Agency shall be fully responsible for quantity and quality of the material inspected and sealed/ identified. It is clarified that services of such Agency/ Agencies shall be utilized for inspection of the material at the works of the firms situated any where in India within/ outside the State of Rajasthan . **Initially, Inspection contract shall be for one year from the date of placement of orders which can be terminated during the pendency of Contract by JDVVNL or can be extended for further period of one year, on same terms & conditions on which original order(s) will be placed.** JDVVNL propose to use the out side Agencies in restricted manner for Inspection of material to be offered by the firms and therefore shall not guarantee/ specify minimum quantum or works to be allotted to such Inspection agency each month. It will be at the discretion of the JDVVNL to allot inspection work to outside agencies and no condition(s) improved by the agencies shall be binding on the JDVVNL.

**Scope of Inspection Service contract may also cover items purchased by wings other than Material Management wing.**

### **3. QUALIFICATION REQUIREMENTS: As per Schedule-IV**

### **4. FUNCTIONS:**

The prospective inspection Agency shall be broadly required to undertake following functions:

- 4.1 To inspect/ test/check the offered material as per governing Indian Standards/ British Standards/ IEC/ other specification(s) specified in purchase order by conducting routine/ acceptance test(s) including addl. Acceptance test(s) generally at Vendor's works.
- 4.2 To check material for compliance of governing technical specification and the purchase order.
- 4.3 Checking of all Routine test Results to be furnished by the manufacturers, for their compliance with the requirements of P.O./ relevant standards.
- 4.4 To conduct type test(s)/ Special tests/ any other test whenever required at Vendor's works/ Independent Test House.
- 4.5 To check the Guaranteed Technical Particulars generally appended with the governing purchase order.
- 4.6 To check the weights, dimensions/accessories etc. as per the approved drawing(s)/ GTP sheet of P.O.
- 4.7 To physically verify the offered quantity with reference to inspection requisition and identify/ seal the inspected material.
- 4.8 Checking of all Meters/Equipments/Apparatus etc. used during inspection for their accuracy from valid calibration certificates.
- 4.9 To check packing & marking as per Purchase Orders.
- 4.10 To conduct in manufacturing/ process/stage inspection, whenever desired by the purchaser.
- 4.11 To suggest quality assurance plan to be followed by the vendors for manufacturing items, purchased by JDVVNL so that final products are of desired quality level.

### **5. Price Structure:**

The bidder(s) shall **quote rates for rendering inspection services anywhere in India, in Schedule-V in the following manner:**

- 5.1 The Inspection charges should be indicated in % (percentage) of ex-works cost of material (excluding Excise duty, Sales Tax, Freight & Insurance,GST etc.) –
  - i) For Cost of material inspected **up to Rs. 50 lacs**
  - ii) For Cost of material inspected **above Rs. 50 lacs & up to Rs. One Crore**
  - iii) For Cost of material inspected **above Rs. One Crore .**

**“Cost of material” shall mean cost of material inspected and worked out on the basis of ex-works prices and admissible at the time of placement of Purchase Order(s).**

- 5.2. Rate per inspection/visit for carrying out stage inspection / factory capacity assessment / witness of Type Test at independent Test House .
- 5.3. Rate per man day for carrying out inspection of repaired Distribution/ Power Transformers/ CT-PT Sets/ other repaired items.
- 5.3 Besides above, the tenderer shall also indicate their prices for such contingencies, when on visit of Inspecting Officer / Officer(s), the material / equipment is not

found ready at firm's works or is not offered for inspection by the firm for any reasons whatsoever.

- 5.4 Tenderers have to certify that rates are quoted on "all inclusive" basis.
- 5.5 Taxes / levies / Duties etc. State or Central leviable, if any, on such services may be included in the rates.
- 5.6 Rates should be quoted on FIRM price basis.
- 5.7 No separate stationary / office expenses are to be paid extra.
- 5.8 GST shall be paid extra as applicable.

**6. INSPECTION REQUISITIONS:**

- 6.1 The inspection requisitions will be sent to the inspecting agencies by Superintending Engineer (MM&C) or an officer designated by the JDVVNL as head of the material inspection Circle or an officer to authorize by Chief Engineer (MM) and inspection shall have to be started at firm's works within a period of 7 (Seven) days from the date of issue of inspection requisitions and completed without any break.
- 6.2 Superintending Engineer (MM&C) i.e. incharge of material inspection unit shall provide / send copies of each Purchase orders, technical specifications, set of approved drawings, amendments of P.O. / GTPs , clarifications issue to firms from time to time and correspondence made with firms regarding matters related to inspection of material etc., to the inspection agency (s).
- 6.3 Such inspection requisition shall normally incorporate name and address of supplier(s), TN and P.O. No. and date, details and quantities of items to be inspected, scheduled date of the inspection if indicated by supplier(s), tests / checks to be carried out etc. and sampling plan to be adopted, during inspection.
- 6.4 Inspection requisitions will be sent by Superintending Engineer (MM&C) to Jodhpur Officer of the Inspecting Agency only.
- 6.5 The inspecting Agency / Agencies shall have to send at least one day advance telephonic pre-intimation to the firms about inspection programme / schedule date of visit of Inspecting Engineer followed by confirmation copy under intimation to Superintending Engineer (MM&C).

**7. DOCUMENTATION & REPORTS :**

The inspection report for each inspection shall be prepared as per format attached at Annexure-II.

- 7.1 Inspection against requisitions sent by SE (MM&C) shall be carried out as per requirements of the relevant Purchase Order, governing technical specification, relevant ISS/ BS/IEC etc. GTPs of PO and approved drawings etc.
- 7.2 Tests values / observations for all tests / check and for all the samples / equipments shall be recorded. Based on such test values, detailed calculations shall be made to work – out the final test results. All these test values, calculations, test results, alongwith the comments regarding their conformity with the Purchase Order / relevant standards, shall be furnished to the Purchaser and others as enclosures with the inspection report.
- 7.3 A statement listing out all the major and minor deviations in the material from the Purchase Order / relevant standards shall also be furnished to the Purchaser along with inspection report.

- 7.4 One copy of each inspection report along-with detailed observations, calculations sheets, tests results, deviations, sealing details etc. shall be furnished to the following within 4 days of completion of inspection :
- i) The Superintending Engineer (MM&C), JDVVNL, Jodhpur.
  - ii) The Superintending Engineer of concerned Purchase Circle, JDVVNL, Jodhpur i.e. SE (MM&C) or SE (\_\_\_\_\_), JDVVNL or others, as the case may be.
  - iii) The Sr. Accounts Officer (CASH/CPC), JDVVNL, Jodhpur.
  - iv) The supplier / firm.
- 7.5 It may be carefully noted that Inspecting Agency shall send inspection report(s) to officers as stated above in Clause-7.4. If material found in order as per Purchase Order/GTP/ISS, Inspecting Agencies shall issue Form No.9 to the firm and a copy of same will be sent to concerned Superintending Engineer of concerned purchase circle and Superintending Engineer(MM&C), Jodhpur by FAX. This would, however not relieve the Inspecting Agency to send detailed report within time schedule prescribed at Item No.7.4 above.

#### **8. SEALING AND IDENTIFICATION OF INSPECTED MATERIAL:**

The material/ items inspected by Agency, whatever their nature, shall be sealed for identification in fool-proof sealing method, separate lots of the same material of the manufacturer must be identifiable with the help of sealing arrangement only without referring to the S. Nos. or Lot Nos. of the material. The sealing Plan/ Method has to be got approved from the Superintending Engineer (MM&C), JDVVNL, Jodhpur. If, subsequent to the approval of sealing plan, it is observed that same is not fulfilling its purpose, the Agency will be required to suitably change the sealing method and seek approval for the same.

#### **9. SECURITY DEPOSITS:**

The Agency shall have to furnish Security/ Guarantee for successful execution of the contract in the following manner:

- 7.2. **A sum of Rs. Two lacs in the form of demand draft** payable to the Accounts Officer (CPC), JDVVNL, Jodhpur.
- 7.3. **Bank Guarantee of Rs. 5 lacs** in the form and manner prescribed by the JDVVNL. **The Bank guarantee shall be valid for a period of 6 months, after the completion of the contract period.** The contractor shall have to extend the validity of the Bank Guarantee, if required by the JDVVNL.
- 7.4. **The Security deposit shall be released after a period of three months from the completion of the contract.**

#### **10. PAYMENT OF INSPECTION CHARGES TO AGENCY FOR ASSIGNED JOB:**

The payment towards inspection charges for services rendered by the Agency shall be made on monthly basis. For this monthly bill, supported by statement of the inspections carried out during each month alongwith copy of purchase order, nomination letter, inspection report etc. shall be preferred by the Agency to Superintending Engineer (MM&C) for checking and verification of inspection work. 95% of the amount of such bills shall be paid by the Sr. Accounts officer (CPC), JDVVNL, Jodhpur within 30 days of receipt of bills after due verification by the office of the Superintending Engineer (MM&C), JDVVNL, Jodhpur and balance 5% payment will be released within 90 days from the date of receipt of the bills, in case no adverse report is received from any corner.

**11. DELAY IN ARRANGING INSPECTIONS:**

Normally, inspection is to be started within 7 (Seven) days of issue of inspection requisition to the Agency and in case of delay in coMM&Cencing the inspection beyond 7 (Seven) days time, rebate in inspection charges shall be allowed as follows:

- a) Delay up to 7 (Seven) days (-) 25%
- b) Delay of more than 7 (Seven) days & up to 15 (fifteen) days (-) 50%.
- c) Delay beyond 15 (fifteen) days (over and above Seven days) shall not be permitted in any circumstances, whatsoever & in such case, inspection charges shall not be allowed to the Agency (-) 100%

**12. INFRASTRUCTURAL AND TECHNICAL PERSONNEL:**

The tenderer shall have to furnish details of infra-structurals and other facilities of their main, Regional, Sub-regional, Branch & Sub-offices situated in the country in the schedule-IX.

Similarly, details of technical persons employed for inspection work with their Biodata, place of posting etc. shall be given in Schedule-IXA. Bidders are also required to attach Biodata of at least ten Nos. Inspecting Engineers to be associated with JDVVNL's works possessing B.E. Degree in Electrical/ Mechanical Engineering as minimum qualification and minimum experience of 5 years in the field of inspection of similar type of material as is being purchased by the Material Management wing of JDVVNL.

**13. OTHER TERMS & CONDITIONS:**

13.1 The JDVVNL reserves right to:

- i) Re-inspect/ counter check the inspections carried out by the third party/ agency as and when deemed proper and such inspection shall supersede inspection previously carried out by the Agency.
- ii) Depute their Engineer/Representative for carrying out joint inspection of material alongwith Inspecting Engineer of the Third Party/ Agency.
- iii) Inspect/ check/test the samples earlier drawn by the Agency and subjected to various terms carried out during inspections, by them.

13.2 If material/ equipment inspected and cleared by the Inspecting Agency is reported failed/rejected during checking in the Stores/ by consignees/ Central Testing Lab/Meter Lab/Test House, Inspection Charges shall be recoverable from the Agency, or not payable to the Agency, as the case may be.

13.3 It may be carefully noted that no separate inspection charges shall be allowed for conducting/ witnessing various type tests at firm's works.

13.4 If desired by the purchaser, samples shall be drawn from the offered lot and sealed for sending the same to the specified Test House for type test/ other tests.

13.5 The Superintending Engineer(MM&C)/ Purchaser may also desire the Agency/ Third Party to properly identify/ seal the samples subject to various test/ checks with advice to firm to preserve these samples for subsequent check/testing by the Representative/ Engineer of the JDVVNL.

13.6 Even after award of inspection service contract, the Chief Engineer (MM&C)/ The Superintending Engineer (MM&C), JDVVNL, Jodhpur shall be free to:

- i) Arrange inspection of any item at the works of any firm.
- ii) Waive inspection of any item at the works of any firm.
- iii) Withdraw inspection nomination already issued.

13.7 The JDVVNL reserves the right to alter/ change sampling plan indicated in the purchase order/ Relevant Specification/ ISS/BSS/IEC etc. Agency/ Third Party shall have to carryout the inspection accordingly without insisting for additional charges.

13.8 While processing the inspection reports sent by the Agency/ Third Party, if Purchaser i.e. Superintending Engineer of purchase Circle concerned observes that inspection has not been carried out as per provisions/ requirements of the Purchase order and relevant specification and re-inspection (Full or in Part) is necessary, the same shall have to be carried out by the Inspecting Agency/ Third Party free of cost.

13.9 In case of re-inspection of material, the Inspecting Agency shall have to depute at least two Inspecting Engineers including one who had previously carried out the inspection.

13.10 JDVVNL levies re inspection charges, in case the firm does not offer the material for inspection or offered quantity is less than some percentage of the quantity indicated in the inspection requisition(s). In such cases, re-inspection charges so levied on the firms shall not be passed on to the Inspecting Agency/ Third Party.

13.11 The Agency shall have to setup their office at Jodhpur also and shall have to create responsible infrastructure and provide communication facilities like telephone, telex and Fax etc. at their own cost for better co-ordination with JDVVNL.

Agency shall arrange inspection and testing of material by technically qualified and experienced Engineers possessing B.E. Degree in Electrical/ Mechanical Engineering as minimum qualification and minimum experience of 5 years in the field of inspection of similar type of material as is being purchased by the Material Management wing of JDVVNL. The Agency shall have to furnish list of Inspecting Engineers with their Bio-data to whom work of Inspection of Material shall be assigned. Area of operation of Inspecting Engineers shall have to be changed frequently.

Normally, JDVVNL is entrusting inspection work to qualified and experienced Engineers and therefore would expect Agency to engage services of highly qualified/ well experienced/ technically proficient officers for inspection work. List of Inspecting Officers shall therefore be got approved from Incharge of Inspection Circle.

13.12 In case, lot offered at the time of inspection is not found conforming to the requirements of Purchase Order/ Specification, The Agency/ Third Party shall be authorized to out rightly reject the lot.

13.13 In no circumstances, sub-letting of contract to any other Government/ semi-Government/ Private organization/ Party etc. shall be permitted by the JDVVNL.

13.14: Normally no deviations/ departures in terms & conditions incorporated in tender specification (Section/Schedule-I, II & III) shall be considered and such tender shall be liable for rejection. However, the tender may state minor deviation/ departure from the specification in Schedule-VI.

13.15 Each page of Schedule-III of this specification of the tender and all sections/schedules are to be signed by the authorized person (with seal of Agency) and attached with tender.

- 13.16 The Superintending Engineer (MM&C), JDVVNL, Jodhpur may revise or amend the specification, date and timings prior to the date notified for opening of the tenders. Such revision (s) or amendment (s), if any will be communicated to all the tenderers as amendment or addenda to the invitation of the tender.
- 13.17 The items indicated in the Annexure-I are only indicative. The successful tenderers have to arrange inspection of other material also. JDVVNL reserves copyright to split the order and to entrust the order for inspection to one or more parties. The tenderer shall agree to inspect part quantities ordered on him at the rates/ prices mentioned in his tender and/ or accepted by the purchaser.
- 13.18 Tenderers shall have to attach "DECLARATION FORM" as per Schedule-VIII attached with the tender.

**14. DEFINITION OF TERMS:**

In constructing these conditions of Contract and specification, the following words shall have the meaning herein assigned to them unless there is any thing in the subject of context inconsistent with such construction.

- a) The JDVVNL shall mean the Jodhpur Vidyut Vitran Nigam Limited, Jodhpur, represented by Managing Director and shall include their legal personal representative, successors and assignees.
- b) The Agency/ Third Party shall mean the tenderer whose tender shall be accepted by the purchaser and shall include the tenderer's legal representatives, successors and assignees.
