1. Eligibility Criteria

For TN-2720 Elect.

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 15.75 Lacs.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for Generator maintenance in any of the thermal power plant above 110 MW unit capacity during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class B electrical licence.

For TN-2721 Elect

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.2796318.00.
- (ii) The bidder must have an experience of having successfully executed/completed the contract for the work of maintenance of electrical equipments like HT/LT motors/HT/LT switchgear in any of the thermal power plant having unit capacity not less than 110 MW during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
 - or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
 - or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence.

For TN-2722 FF

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.3869000.00.
- (ii) The bidder must have an experience of Fire Fighting Operation is required. The bidder should have experience in Operation of fire fighting system of high rise building comprising of hydrant system, sprinkler system, fire alarm system Electric/Diesel driven pumps and various types of extinguishers, in any of the thermal power plant(s)/ gas power plant(s)/ any process industries/ any electric utility/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
 - or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
 - or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

For TN-2723 MMH

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.2396190.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for same/similar nature works in any of the industries like process industry / Electrical utility / cement industry / refinery/ Fertilizer plants / power plants etc. during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
 - or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
 - or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

For TN-2724 MMH

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.2137520.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for same/similar nature of work in any of the industries like process industry / Electrical utility / cement industry / refinery/ Fertilizer plants / power plants etc. during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
 - or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
 - or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

For TN-2725 CA

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 2258485.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract For Same/ Similar nature of work in any of the thermal power plant(s) having capacity not less than 110 MW/ gas power plant(s)/ any process industries/ any electrical utility/ cement industry/ refinery / fertilizer plant during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - d. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
or
 - e. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
or
 - f. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

For TN-2726 CA

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.2036321.30.
- (ii) The bidder must have an experience of having successfully executed/completed the contract for similar nature of work i.e. Maintenance work of vertical /horizontal pumps with a discharge capacity 1600M³/hrs or more/ power rating of 135 KW motor or more in any power plant(s)/ gas power plant(s) / any process industries/any electrical utility/ cement industry/ refinery / fertilizer plant during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

For TN-2727 Civil

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.32.92 Lakh.
- (ii) The bidder must have an experience of having successfully executed/completed the contract for same / similar work i.e. civil construction or maintenance work for buildings in any of the thermal power plant(s) / gas power plant(s)/ any industries/ organisation during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
 - or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
 - or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required).

For TN-2728 Elect.

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.828800.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for Super conditioning of Rubber Expansion Bellows in any power plant(s) during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
 - or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
 - or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if Applicable) and class A electrical licence.

For TN-2729 AHP

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.1591000.00.
- (ii) The bidder should be a manufacture /OEM or its Authorized Dealer of screw type air compressors and must have an experience of successfully executed/completed the work order/purchase order for the work of repairing/reconditioning/sale/service or screw air compressor or should have experience of mechanical maintenance of AHP system in any of the thermal power plant(s)/ gas power plant(s) / any process industries/any electrical utility/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) The bidder shall submit proof of manufacturing i.e. company registration certificate or SSI/MSME/NSIC (In case of manufacture) or valid authorization letter from the proposed manufacturer. In case of authorized dealer, work order/purchased order issued in favor of manufacturer will be accepted against work experience.
- (iv) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (v) The participating bidders should have GST registration with Central Excise Department with active status PAN card

For TN-2730 BM
