## 1. Eligibility Criteria

### For TN-2735 CHP

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.4404744.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for maintenance of electrical equipments like HT/LT motors, transformers and heaters/switchgears. The bidders must furnish proof of execution of maintenance/overhauling of at least one HT equipment in any of thermal power plant having capacity of 110MW unit or above during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
  - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each  
or
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each  
or
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should submit GST registration certificate and copy of latest filed GST return, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence.

### For TN-2736 CHP

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.3464117.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for mechanical maintenance work in any of the thermal power plant(s) or in any of industries like process industries/electrical utility/cement industries /refinery / fertilizer plants etc. during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
  - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each  
or
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each  
or
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should submit GST registration certificate and copy of latest filed GST return, PF registration, PAN card, ESI registration, labour licence (if required) and class A electrical licence(if required).

**For TN-2737 CHP**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as On date of bid opening should not be less than Rs. 38.12 lacs.
- (ii) The bidder must have executed mechanical maintenance works in CHP area in a coal based thermal power plant Or mechanical maintenance works in coal handling plants of coal mines/Iron and steel plants/ Cement plants/ aluminum plants/ any other industrial establishment during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
  - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each  
or
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each  
or
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should submit GST registration with central excise department , PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence(if required) and copy of last return filed of GST.

**For TN-2738 CHP**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.30.32 Lacs.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for same/similar work i.e. Operation of Bulldozers and Routine/ Breakdown maintenance work of Bulldozers and Hydraulic excavators in any of the thermal power plant(s) or in any of the industries like process industries/ electrical utility/cement industries / refinery/ fertilizer plants etc. during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
  - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each  
or
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each  
or
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should submit GST registration certificate and copy of latest filed GST return, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence(if required).

**For TN-2739 Elect.**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.3958013.50.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for the work of O&M of 33/11 KV sub station, 11/0.4 KV s/s or more capacity sub station and their network and plant lighting in any of the 110MW power plant(s) or above during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
  - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
  - or
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
  - or
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with central excise department , PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence(if required) and copy of latest filed GST return.

**For TN-2740 Elect.**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.4877797.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for maintenance work of 220KV/400KV Switchyard and EHV/GT/Power transformer of capacity 200MVA or more in any of thermal power plant(s)/ gas power plant(s) during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
  - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
  - or
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
  - or
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should submit GST registration with central excise department , PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence and copy of latest GST return filed.

**For TN-2741 BM**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 2703456.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract Work order for Repairing/ Reconditioning of Coal Nozzle tips, Coal nozzles and their hard facing, Emptying cleaning & repairing of SS lining of raw coal bunkers in any of the thermal power plant(s) having capacity not less than 110MW/ any process industries / organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
  - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
  - or
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
  - or
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should submit GST registration certificate and copy of latest filed GST return, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence(if required).

**For TN-2742 CA**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 520000.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for same/similar nature of work in any of the thermal power plant(s)/ gas power plant(s)/ any process industries / any electrical utility / organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
  - d. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
  - or
  - e. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
  - or
  - f. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should submit GST registration with central excise department , PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required) and copy of last return filed of GST.

**For TN-2743 Civil**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.49.35 lacs.
- (ii) The bidder must have an experience of having successfully executed/completed the contract for same/similar work i.e. maintenance work for parks and plantation in any of the thermal power plant (s) / gas power plant(s) / any industries / organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
  - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
  - or
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
  - or
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should submit GST registration with central excise department , PF registration, PAN card, ESI registration and labour licence (if required) and copy of latest GST return filed.
