- (ii) The bidder must have an experience of having successfully executed/completed work related to control and instrumentation operation / maintenance work in any plant of capacity 110 MW or above during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical license (if required).

For TN-2586 TM

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.34.5 lacs.
- (ii) The bidder must have an experience of having successfully executed/completed the work of remote controlled mechanized high pressure hydro jetting for cleaning of condenser tubes upto 1000bar (The capacity of pump's electric motor shall be 150/200HP) in any power plant of 110MW units & above during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical license (if required).
3. The bidder will have to register themselves on website <http://www.eproc.rajasthan.gov.in> for participating in this tender. For this purpose Digital Signature Certificate (DSC) have to be obtained from any agency approved by CCA. This DSC will be used to sign the bids submitted online by the bidder. Unsigned tenders will not be entertained and will be rejected out rightly.
 4. The tender for works shall remain open for acceptance for the period of 120 days from the date of opening of pre-qualification/ technical bid or up to such period as detailed out in tender document.
 5. If any tenderer withdraws his tender prior to expiry of validity period as mentioned at S. No. 6 or mutually extended period or makes modifications in the rates, terms and conditions of the tender within the said validity period, which are not acceptable to the department, or fails to commence the work in the specified period/ fails to execute the agreement, the department shall without prejudice to any other right or remedy be at liberty to forfeit the amount of earnest money given in any form absolutely. If any contractor, who having submitted a tender does not execute the agreement or start the work or does not complete the work and the work has to be put to re-tendering, he shall stand debarred from participating in such re-tendering in addition to forfeiture of earnest money/ security deposit and other action under agreement. If there is strong justification of believing that the tenderer or his authorized has been guilty of mal-practices such as submission of forged documents, influencing individually or politically, his offer will be liable to rejection and in such case his earnest money shall be forfeited.
