- I) The word executed means that the bidder should have achieved the progress Specified in the QR even if the total contract has not completed/closed. Payment receipt document with reference to WO No. and date or work execution certificate with executed value and referred order no. & date from the Owner to this effect that the job to this extent has been done by the Bidder satisfactorily may also be considered as a proof of execution even if the work has not been completed in totality (subject to furnishing proof of executed value of work in the form of certified copies of RA Bills) or any relevant documents, which is sufficient to prove the works completed or to be completed.

The same shall be supported by documentary evidence issued by the owner.

- II) The above orders should be directly placed on the tenderer. Experience of Sub-letted work will not be considered.
3. The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour license and class “A” electrical license. If any of the above presently is not available with them, then they will furnish an undertaking on Rs. 100/- Non judicial stamp paper duly attested by notary for submitting the same within one month from issue of LOI.

NOTE:-

- I) Any firm who have been directly or indirectly terminated/blacklisted in any thermal power plant across India for any reason whatsoever and duration is still continued will not be considered eligible for participation in this tender for which an under taking on Rs. 10 NJ Stamp paper shall be furnished by the bidder. In case if it is found at any point of time that the undertaking given by them is not correct, in that case he will not be considered qualified or order awarded to them shall be terminated. The bidder shall also be black listed for all future contract of RVUN.
- II) Bidder shall produce all supporting documents (original / self-authenticated and attested by Public Notary) in respect of QR as asked in the NIT and an affidavit in original on a non-judicial stamp paper of

Rs. 10.00 regarding genuineness of the declaration/information furnished by them and authenticity of the supporting documents being produced by them, within the same time frame.

- C. The bidder will have to register themselves on website <http://www.eproc.rajasthan.gov.in> for participating in this tender. For this purpose Digital Signature Certificate (DSC) have to be obtained from any agency approved by CCA. This DSC will be used to sign the bids submitted online by the bidder. Unsigned tenders will not be entertained and will be rejected out rightly.
- D. The tender for works shall remain open for acceptance for the period of 120 days from the date of opening of pre-qualification/ technical bid or up to such period as detailed out in tender document.
- E. If any tenderer withdraws his tender prior to expiry of validity period as mentioned at S. No. 6 or mutually extended period or makes modifications in the rates, terms and conditions of the tender within the said validity period, which are not acceptable to the department, or fails to commence the work in the specified period/ fails to execute the agreement, the department shall without prejudice to any other right or remedy be at liberty to forfeit the amount of earnest money given in any form absolutely. If any contractor, who having submitted a tender does not execute the agreement or start the work or does not complete the work and the work has to be put to re-tendering, he shall stand debarred from participating in such re-tendering in addition to forfeiture of earnest money/ security deposit and other action under agreement. If there is strong justification of believing that the tenderer or his authorized has been guilty of mal-practices such as submission of forged documents, influencing individually or politically, his offer will be liable to rejection and in such case his earnest money shall be forfeited.
- F. All tenders, in which any of the prescribed conditions are not fulfilled or which have been vitiated by errors in calculations, totaling or discrepancies in figures or words or other discrepancies, will be liable to rejection.
- G. No conditional tenders shall be accepted and will be rejected summarily forthwith.
- H. The department will not be responsible for any delay on account of late submission of tender due to online submission.
- I. **Physical submission of bids is not allowed.**
- J. The bidder shall ensure that scanned copy of all the schedules as asked in tender document have been filled up and attached with the bid submitted in electronic format.
- K. The acceptance of the tender will rest with the competent authority who does not bind itself to accept the lowest tender, and reserves to itself the authority to reject any or all the tenders received without assigning any reason.
- L. No refund of tender fee/e tender processing fee is claimable for tenders not accepted or forms not submitted.
- M. All other conditions shall be prevailing as detailed out in the departmental tender document (in the respective sections/ volumes).
