- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 367500.00.
- (ii) The bidder must have an experience of having successfully executed / completed HP jet cleaning / chemical cleaning work in boiler / turbine in any thermal power plant during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

For TN-2521 BM

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 1560000.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for Providing cup lock metallic scaffolding inside the boiler in any thermal power station having units of 110 MW capacity or more during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
or

- c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

For TN-2522 BM

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 4552522.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for HP/LP Welding work in Boiler/turbine area in any thermal power station having units of 110 MW capacity or more during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
 - or
 - c. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
 - or
 - d. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).
- (v) The contractor should be approved with the chief inspector (F&B) and the contractor is required to enclosed the certificates of IBR welders approved by the chief inspector (F&B), Govt. of Rajasthan, Jaipur(Raj.).

For TN-2523 TM

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.34,46,080.00.
- (ii) The bidder must have an experience of having successfully executed / completed the Work of remote controlled mechanized high pressure Hydro jetting for cleaning of condenser tubes up to 1000 bar (the capacity of pump's electric motor shall be 150/200 HP) in any power plant of 110 MW units & above during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a.Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
 - or
 - b.Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
 - or
 - c.One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

For TN-2524 TM

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.2235951.00.

(ii) The bidder must have an experience of same/similar nature of maintenance work of high pressure valves of turbine/ boiler in any thermal power plant having at least one units of 110 MW capacity during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

or

b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

or

c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required) and class A electrical license.

For TN-2525 TM

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.1200000.00.

(ii) The bidder must have an experience of having successfully executed/ completed the work of Condenser tube cleaning by using chemical in any thermal power plant having at least one units of 110 MW capacity during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

or

b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

or

c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required) and class A electrical license (if required).

For TN-2526 AHP

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.6109274.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for same / similar nature of work such as removal & transportation of ash/silt/sludge from canal/Ash pond/ sludge pond/trenches/drainage in any Govt. department /any Govt. undertaking department / any industries during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required) and class A electrical license (if required).

For TN-2527AHP

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 68,92,483.00
- (ii) The bidder must have an experience of having successfully executed / completed the contract for doing the same / similar nature of work i.e .AHP maint. work /AHP silo maint. work or mechanical maint. Works in CA/AHP/Turbine/Boiler/CHP/ESP in any of the Thermal Power plant/industries like process industry / Electrical utility / cement industry / refinery / fertilizer plant etc. during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

(iv). The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required) .

For TN-2528 Opr.

- (i) Bidder should have at least one bus 30 seater or more capacity 2013 or latest model in the name of tenderer.
- (ii) Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.21.60.
- (iii) The bidder must have an experience of having successfully executed / completed the contract for “hiring of vehicles (i.e. Jeep / Car /Bus)in any process industries / any utility /organization / school” during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
 - or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
 - or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required).

For TN-2529 Opr.

- (i) Bidder should have at least one bus 30 seater or more capacity 2013 or latest model in the name of tenderer.
- (ii) Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.45.65 Lacs.
- (iii) The bidder must have an experience of having successfully executed / completed the contract for “hiring of vehicles (i.e. Jeep / Car /Bus)in any process industries / any utility /organization / school” during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
 - or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
 - or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

- (iv) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (v) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration (Essential) and labour licence (if required).

For TN-2530 Opr.

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.2905664.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for same/similar i.e. Housekeeping/cleaning / Mtc. Work in any power plant(s)/any process industry / organization / plant colony/ dispensary during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
 - or
